Commissioner for Patents

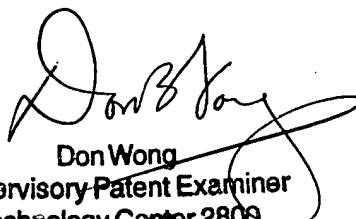

Response to remark filed June 17, 2005

The second interview summary transmitted via fax on June 15, 2005 is hereby vacated because it contains to substance of interview. This response is hereby extended as a corrective action to capture the facts took place during a personal interview on June 15, 2005.

At the interview, Mr. Tulino presented his position alleging how claims 1, 5, and 16 are patentably distinct over Vazan (6753897). The interview concluded without a decision or agreement reached as Mr. Tulino was promised a late decision. Later that day, another interview summary was faxed to Mr. Tulino with the intension of informing him that the examiner has not changed his position detailed in the final office action and intended to sustain the rejection presented in the final office action.

Applicant is hereby reminded that all time-limit imposed in the final office action mailed May 18, 2005 remains in effect.
